Goals

Goals, dreams, objectives, wish lists. All of these are areas that we all talk about, but very few of us understand... and even fewer actually achieve.

You once had a dream or a goal to establish yourself in your own business. You may have even had a vision of yourself laying back on the beach while the money rolled in.

How is your dream looking now?

Is it not quite where you wanted it to be?

What went wrong?

Here is an easy answer. See if this is true for you ...

You failed to plan your goals!

If this is true, what are you planning to do?

Here is the answer: Set some real goals today!

What does "GOAL" mean?

Getting On And Living

To focus on "Getting On and Living", consider what is really important to you, **TODAY**.

Consign the past to the waste paper bin.

Focus on **NOW** and consider **TOMORROW** as though it were your new today.

What does it look like?

REJECT NOTHING!

What does "GOAL" mean?

Getting On And Living

Establish what is **TRULY** important to you and where does your passion lie?

Use the [Focus on your Purpose](#) template to carry out a simple self-assessment on your goals and passions in important areas of your life.

Set down some goals

Consider:

- Where am I now?
- Where do I want to be?

Be as specific as you can

- ✓ 30 days
- ✓ 60 days
- ✓ 90 days
- ✓ 180 days
- ✓ 3-5 years from now

How will you know?
